Crafter's Choice™ The Wall Fragrance Oil

Safety Data Sheet

05/22/2019 Page 1 of 4

Section 1: Product Information	
1.1 Product Name:	Trade Secret Mixture
Product Name:	Crafter's Choice™ The Wall Fragrance Oil
1.2 Product Use Description:	Concentrated Fragrance Blend for use in customer product or substance
1.3 Manufacturer / Company:	Crafter's Choice Brands, LLC
Address / Telephone	7820 E. Pleasant Valley Road Independence, OH 44131 - (800) 908-7028
1.4 Number: Emergency:	(800) 255-3924 Domestic USA, Canada, Puerto Rico and USVI
	+1 813 248-0585 International
Section 2: Hazard(s) Identificat	ion
2.1 Classifications of Substance or	Hazard classifications are based on individual ingredient
Mixture:	evaluation in accordance with GHS and other relevant
	regulations that follow. This product has not been tested as a
	whole.
Classification (REGULATION (EC) GHS Hazards:) NO 1272/2008 and HCS 2012)
	2 - Environmental Hazard Aquatic Acute
	2 - Environmental Hazard Aquatic Chronic
	2A - Eye Effects
	2 - Reproductive toxicity
	1B - Sensitization, Skin
	2 - Skin Corrosion / Irritation
2.2 Label Elements	
Symbols:	$\wedge \wedge \wedge$
Signal Word:	Warning
Hazard Statements:	
	H401 - Toxic to aquatic life.
	H411 - Toxic to aquatic life with long lasting effects.
	H319 - Causes serious eye irritation. H361 - Suspected of damaging fertility or the unborn child.
	H301 - Suspected of damaging retuinty of the dinborn child. H317 - May cause an allergic skin reaction.
	H315 - Causes skin irritation.
Precautionary Statements:	
Prevention	
	P201 - Obtain special instructions before use
	P202 - Do not handle until all safety precautions have been read and understood
	P264 - Wash hands thoroughly after handling
	P273 - Avoid release to the environment
	P280 - Wear protective gloves/protective clothing/eye protection/face protection P281 - Use personal protective equipment as required
Response	
	P313 - Get medical advice/attention
	P321 - Specific treatment (see section 4 on SDS)
	P337 - If eye irritation persists:
	P362 - Take off contaminated clothing and wash before reuse
	P391 - Collect spillage
	P302+P352 - IF ON SKIN: Wash with soap and water
	P308+P313 - IF exposed or concerned: Get medical advice/attention P332+P313 - If skin irritation occurs: Get medical advice/attention
Storage	יז סביד סדס - זו סאוון ווווגמוטון טכטווס. סבן ווובטוכמו מעזוכל/מננכוונוטון
	P405 - Store locked up
Disposal	

2.3 Other Hazards:

P501 - Dispose of contents/containers in accordance with local/regional/federal regulations. No Data Available

Safety Data Sheet

Section 3: Composition / Information on Ingredients

The specific chemical identities of the ingredients of this mixture are considered by Crafter's Choice Brands, LLC. to be Trade Secrets and are withheld in accordance with the provisions of S1910.1200 of Title 29 of the Code of Federal Regulations (CFR).

	Substance: Mixture	Not Applicable

60	ction 1: First Aid Mossures			

Section 4: First Aid Measures

4.1	Description of First Aid Measures		
	General	If medical advice/attention is needed, have this safety data sheet or label at hand and seek medical advice immediately.	
	Inhalation:	If inhaled, remove to fresh air. Seek medical attention immediately.	
	Eye Contact:	Flush immediately with cold water for at least 15 minutes. Remove contact lenses. Seek medical advice if symptoms persist or develop.	
	Skin Contact:	Wash affected areas with soap and water. Seek medical advice if symptoms persist or develop. Remove contaminated clothes	
	Ingestion:	Do NOT induce vomiting unless advised by poison control or physician. Never give anything by mouth to an unconscious person. Seek medical attention immediately. Rinse mouth with water.	
4.2	Most important symptoms and effects, both acute and delayed	No information available	
4.3	Indication of immediate medical attention and special treatment needed	No information available	
Se	ction 5: Fire Fighting Measures		
5.1	Extinguishing media:	Carbon Dioxide(CO2), Dry chemical or foam	
5.2	Special hazards arising from substance or m	ixture	
		-Do not use water on burning material -Avoid sources of ignition (eg. sparks, open flames, heat) near empty containers	
5.3	Advice for firefighters	No specific advice	
Se	Section 6: Accidental Release Measures		

Safety Data Sheet

Equipment and Emergency Procedure: 2 Environmental Presentations: Discharge into the environment must be avoided. Reep out of severs, drainage areas, or valences, and the plation of the appropriate local, state, and feelers agencies. 3 3 Methods for containment and cleaning us: Sock with sequencing about the avoided. Reep out of severs, drainage areas, or valences, and dispose in accordance with inductions. Then wash with designed and valous. Section 10: Stability and Reactivity 10.1 Reactivity: Will not react violently with water. Stable under normal temperature conditions (65-85 degrees F) and recommended use. 10.2 Chemical Stability: Presents no significant reactivity hazard. 10.3 Possibility of Hazardous Reactions: None known. 10.4 Conditions to Avoid: Avoid sources of ignition. Avoid extremes of temperature, direct sunlight, and temperatures close to flashpoint. 10.5 Incompatible Materials: Avoid contact with strong acids, alkalis, or oxidizing agents. 10.6 Hazardous Decomposition Products: None known.	Section 10: Stability and Reactivity 10.1 Reactivity: Will not react violently with water. Stable under normal temperature conditions (65-85 degrees F) and recommended use. 10.2 Chemical Stability: Presents no significant reactivity hazard. 10.3 Possibility of Hazardous Reactions: None known. 10.4 Conditions to Avoid: Avoid sources of ignition. Avoid extremes of temperature, direct sunlight, and temperatures close to flashpoint. 10.5 Incompatible Materials: Avoid contact with strong acids, alkalis, or oxidizing agents. 10.6 Hazardous Decomposition Products: None known. Section 11: Toxicological Effects		
0.1 Reactivity: Will not react violently with water. Stable under normal temperature conditions (65-85 degrees F) and recommended use. 0.2 Chemical Stability: Presents no significant reactivity hazard. 0.3 Possibility of Hazardous Reactions: None known. 0.4 Conditions to Avoid: Avoid sources of ignition. Avoid extremes of temperature, direct sunlight, and temperatures close to flashpoint. 0.5 Incompatible Materials: Avoid contact with strong acids, alkalis, or oxidizing agents. 0.6 Hazardous Decomposition Products: None known.	0.1 Reactivity: Will not react violently with water. 		11.1 Information on Toxicological effects	i i na seconda da seconda a seconda e se

This mixture has not been subjected to toxicological testing as a whole. The available data on the raw materials has been used to establish the health classification. Acute Toxicity Estimates for individual ingredients has been used, where appropriate.

Safety Data Sheet

Acute Toxicity – Oral – Calculated LD50	not applicable - the classification criteria has not been met
Acute Toxicity – Dermal – Calculated LD50	not applicable - the classification criteria has not been met
Acute Toxicity – Inhalation – Calculated LC50	not applicable - the classification criteria has not been met
Skin Corrosion/irritation	Causes skin irritation.
Serious Eye Damage/irritation	Causes serious eye irritation.
Respiratory or Skin Sensitization	May cause an allergic skin reaction.
Germ Cell Mutagenicity	not applicable - the classification criteria has not been met
Carcinogenicity	not applicable - the classification criteria has not been met
Reproductive Toxicity	Suspected of damaging fertility or the unborn child.
Specific Target Organ Toxicity – Single Exposure	not applicable - the classification criteria has not been met
Specific Target Organ Toxicity – Repeated Exposure	not applicable - the classification criteria has not been met
Aspiration Hazard	not applicable - the classification criteria has not been met
See Section 2 for additional health hazards	
Section 12: Ecological Information	n
12.1 Toxicity	
This mixture has not been subjected to environ	mental toxicologic testing as a whole. The available data on the raw materials has been used to establish the environmental cl
Environmental Hazard Aquatic (Acute)	Toxic to aquatic life.
Environmental Hazard Aquatic (Chronic)	Toxic to aquatic life with long lasting effects.
12.2 Persistence and Degradability:	No Data Available
12.3 Bioaccumulative Potential:	No Data Available
12.4 Mobility in Soil:	No Data Available
12.5 Other Adverse Effects	No Data Available
Discharge into the environment must be avoid agencies.	led. Keep out of sewers, drainage areas, or waterways. Report spills and releases to the appropriate local, state, and federal
Section 13: Disposal Considerati	ons
13.1 Waste Treatment Methods	
Product:	Discharge into the environment must be avoided.
	Keep out of sewers, drainage areas, or waterways.
	Dispose according to local, state, and federal regulations.
	Handle per instructions under sections 6 thru 8.
Packing:	Dispose according to local, state, and federal regulations.
Section 14: Transportation Inform	nation
Harmonized Tariff Code:	3302.90.10.10
Proper Shipping Names	
49CFR/ADR/RID (bulk)	UN3082, Environmentally Hazardous Substance, Liquid NOS (2,6-DIMETHYL-7-OCTEN-2-OL), 9, III
49CFR/ADR/RID (non bulk)	Not Considered Hazardous
IATA/IMDG (< 10 lbs)	Not Considered Hazardous
IATA/IMDG (> 10 lbs)	UN3082, Environmentally Hazardous Substance, Liquid NOS (2,6-DIMETHYL-7-OCTEN-2-OL), 9, III

Section 15: Regulatory Informatio	None Known to Crafter's Choice Brands, LLC
California Proposition 65 List:	None Mowin to Gratter's Churce Drahus, LLG

The listed materials that have been determined to come from a natural food source qualify for the Natural Food Source labeling exemption stated in 27 CCR § 25501 (a) & (b)

Section 16: Other Information

The information provided by Crafter's Choice Brands, LLC in this Safety Data Sheet was written to the best of our knowledge, information, and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal, and release and is not intended to be considered a warranty or quality specification. It is the responsibility of the user to review all safety information about this product and determine its safety and suitability in their own processes and operations. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text. Appropriate warnings and safe handling procedures should be provided to all handlers and users. Crafter's Choice Brands, LLC shall not be held liable for any damage resulting from handling or from contact with the above product.
