2. HAZARD IDENTIFICATION

Chemical description:

Fatty acid triglycerides

Hazardous Ingredient:

None Known

No hazard expected if handled and used properly.

Not hazardous in case of inhalation or ingestion.

Not irritant for skin.

In case of eye contact, it may cause irritation.

3. INFORMATION ON INGREDIENTS

Composition:

100% Cocoa Butter

4. FIRST AID MEASURES:

Effects and symptoms:

General: Seek medical attention in case of any discomfort.

Eye contact: In case of sensitivity promptly wash eyes with lots of water while lifting eyelids. Continue to rinse for at least 15 minutes and seek medical attention if irritation persists.

Skin contact: Not a direct hazard. However, it can be washed with soap and water. Get medical attention if irritation appears.

Inhalation: No vapors appear at room temperature and at normal working temperature. However, if vapours are produced and inhaled, remove to a fresh-aired area. Get medical attention.

Ingestion: Not a direct hazard. If required, seek medical attention.

5. FIRE FIGHTING MEASURES:

Extinguishing media: Carbon dioxide, foam, dry chemicals powder.

Inconvenient media: Water jet or spray, but use water to cool fire exposed containers.

Special fire fighting procedures: No special procedures required.

SAFETY DATA SHEET

6. ACCIDENTAL RELEASE MEASURES:

Personal precautions: Watch out for slippery conditions when spillage. Avoid contact with eyes.

Environmental precautions: Keep away from drains and ground water.

Spill cleanup methods:

If the product is in its solid form: Use a shovel to put the material into a convenient waste disposal container.

If the product is in its liquid form: Pick up excess with inert absorbent material and place into separate waste container. Flush area with warm water to eliminate the fat on the surface.
