 Section 2: Hazard Identification

 2.1.
 Classification of substance or mixture

This mixture has not been tested as a whole. The effects listed below, are based on evaluation of individual components in accordance with the provision of the regulation(s) noted below.

| Classification under GHS:  | This product has no classification under GHS.  |
|----------------------------|--|
| Classification under CHIP: | This product has no classification under CHIP. |
| Classification under CLP:  | This product has no classification under CLP.  |
| Classification under OSHA: | This product has no classification under OSHA. |

2.2. Label Elements

Label Elements: Single Word: Warning.

Hazard Pictograms:

Precautionary Statements: P280: Wear eye protection.

Number of Pages: Compilation Date: 7 April 8, 2021

P305+351+338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

### Label elements under CHIP: Safety Phrases:

S2: Keep out of reach of children. S46: If swallowed, seek medical advice immediately and show this container or label.

#### 2.3. Other Hazards

PBT: This product is not identified as a PBT/vPvB substance.

### Section 3: Composition/information on ingredients 3.1. Substances

This product is a complex mixture of ingredients, which contains among others the following substance(s):

| Ingredient             | CAS Number | Percent by Weight |
|------------------------|------------|-------------------|
| Propylene Glycol       | 57-55-6    | 10-30%            |
| Sorbitol               | 50-70-4    | 10-30%            |
| Sodium Stearate        | 822-16-2   | 10-30%            |
| Sodium Laureth Sulfate | 68585-34-2 | 10-30%            |
| Sodium Myristate       | 822-12-8   | 3-10%             |
| Coffea Arabica         | 84650-00-0 | 3-10%             |
| Sodium Laurate         | 629-25-4   | 1-3%              |
| Fragrance              | N/A        | 0.3-1%            |

#### 3.2. Mixtures

Hazardous Ingredients: SODIUM LAURYL ETHER SULPHATE EINECS: 500-223-8 CAS: 68585-34-2

| Section 4: | : First Aid Measures                            |  |
|------------|---|--|
| 4.1.       | Description of first aid measures               |  |
|            | Eye Contact: B                                  | Vash immediately with plenty of soap and water.<br>Bathe the eye with running water for 15 minutes.<br>Vash out mouth with water.<br>Consult doctor.   |
| 4.2.       | Most important symptoms and effe                | ects, both acute and delayed   |
|            | Eye Contact: T<br>Ingestion: T<br>Inhalation: T | here may be mild irritation at the site of contact.<br>here may be irritation and redness.<br>here may be irritation of the throat.<br>here may be irritation of the throat and a feeling of tightness in<br>hest. |
| 4.3.       | Indication of immediate medical at              | tention and special treatment needed   |
|            |   |  |

Immediate/special treatment: None applicable.

| Section 5 | : Fire-fighting measures                           |   |
|-----------|--|---|
| 5.1.      | Extinguishing media                                |   |
|           | Extinguishing media:                               | Suitable extinguishing media for the surrounding fire should be used.   |
| 5.2.      | Special hazards arising from the                   | e substance or mixture  |
|           | Exposure hazards:                                  | In combustion may omit fumes.   |
| 5.3.      | Advice for fire-fighters                           |   |
|           | Advice for fire-fighters:                          | Wear self-contained breathing apparatus. Wear protective clothing to prevent contact with skin and eyes.                              |
|           | : Accidental Release Measures                      |   |
| 6.1.      | Personal precautions, protective                   | e equipment and emergency procedures  |
|           | Personal precautions:                              | Refer to section 8 of the SDS for personal protection details.  |
| 6.2.      | Environmental precautions                          |   |
|           | Environmental precautions:                         | Do not discharge into drains or rivers.   |
| 6.3.      | Methods and materials for containment and clean up |   |
|           | Clean up procedures:                               | Wash the spillage with large amounts of water. Transfer to closable, labeled salvage container for disposal by an appropriate method. |
| 6.4.      | Reference to other sections                        |   |
| 0.4.      |  |   |
|           | Reference to other sections:                       | Refer to section 8 of the SDS.  |
|           | : Handling and storage                             |   |
| 7.1.      | Precautions for safe handling                      |   |
|           | Handling requirements:                             | Suitable extinguishing media for the surrounding fire should be used.   |
| 7.2.      | Conditions for safe storage, inc                   | luding any incompatibilities  |
|           | Storage conditions:                                | Store in a cool, well ventilated area. Store in suppliers package.  |
| 7.3.      | Specific end use(s)                                |   |
|           | Specific end use(s):                               | No data available.  |
