with regulations. Then wash with detergent and water.

Section 7: Handling and Storage

7.1 Precautions for safe handling: Keep away from sparks, open flames, and excessive temperatures. Avoid contact with skin, eyes, or clothing. Avoid inhalation. Always keep

container tightly closed and labeled. Avoid eating, drinking, and smoking near areas where material is stored or handled. Wear appropriate gloves,

eye, and face protection. Follow good personal hygiene.

7.2 Precautions for safe storage, including any Store in a cool, dry area with adequate ventilation. Keep container tightly closed when not in use.
